

AND WITH THE
3RD TURN OF
THEIR OGONAE,
KAPOSAMA HAS
FINALLY COME
EVEN!!!

TACHIKAWA!

10th Shot!

Can We Finish This!?

第10射

決着ついちゃう!?

They've
Finally caught
up! They're in a
rhythm now!

They can win
this, right?!

We're
counting
on you,
Ace-
sensei!

ふふふ...

There's only
4 shots
left... If we
can keep
this up,
then...

To think
we're
doing this
well.

...
No way.

Damn,
that was
close!

It was
close,
but we
got it!

This is a
reward
for all
your hard
work!
♡

We'll be bathing
with the girls—!

Abs-
olutely
got her
of a dirty
look on
his face!

But I'd really like
to see us take
the lead by the
next turn
around...

I hope I'm
not jinxing
us...

When she
glanced
over here, I
could have
sworn she
was looking
at me.

Fudou is
damn cute. And
the way she
looks like that
Din girl makes it
unbearable.

Sensei,
you guys

Wait...

You've
never
seen us in
a close
match
before.

Now
you're
gonna see
how we
really do
things.

I mean, I'd
think that they'd
normally be able
to at least keep
it together even
when under
pressure.

Well,
normally,
yeah.

Alright, I
get it. But
still, what's
up with the
Regulars?

Hey, let me
just raise this
clear: we're
just studying
how Fudou shoots,
that's all. But
don't tell the
superintendent
about this,
got it?

W-WHAT?
ARE YOU
SERIOUS?!

I am.
...If you
really look
at their
average
hit rate, it's
obvious.

Do they
have a
better
hit rate?

Now that
I look at
how Sanno
does in close
matches,
it makes
sense...

Karogawa
did very
well this
time.
However...

It may have
been scary
for a moment
there, but now
the gap shall
become
apparent.

Hmph.

It's true.

How
can they
purchase
this well
in the
chick-?

After the hell
as I doing...
I can't miss
at a time like
this—not in
this match!

Transcendence
Awake!

He already
Kadogawa's
middle has
missed his
shot, and
they're now
a point
behind!

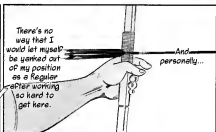

Many wish
to be in this
spot, but do
not make it.

He has a
responsibility
to meet their
expectations.

Are a
group
picked
from
amongst
many.

We
Regulars...

There's no
way that I
would let myself
be yanked out
of my position
as a Regular
after working
so hard to
get here.

And
personally...

Another miss here and we'll be down two, with 6 shots to go. ...and turning this thing around will be a hell of an ordeal.

Sanno state isn't end of point gap...

Sanno ○○○○○○×○○○○×○○○
Kodogawa ○○×○○○××○○○○×

Man, who are these guys?

It feels like even the sound of their arrows hitting the target has gotten stronger.

Not Komori-senpai, too!

And they'd all been doing so much better than normal since the start of the match...

Kodogawa ...! That makes two missed shots in a row!!

And yet...

Sanno's under pressure too...

Our situations aren't that different, and yet...

B-but it's still only two points apart, right?!

Can't they still...

But once their real difference in speed starts to become apparent, the gap between them just can't be overcome ...

It's like when a slower runner uses all of his energy at the beginning of the race; he can keep right on the heels of his competition.

Any
regular
bullet-eye
won't
change
much.

But on
this stage,
Matsudaira's
shot is much
stronger than
that - it
pierces his
opponent
straight to
the heart.

**CAPTAIN!
THERE'S NOT
A MOMENT
TO SPARE!
WE MUST
RELEASE OUR
SECRET
WEAPON!**

Well,
someone
doesn't
seem to
quite
grasp the
situation...

Against an
opponent like
that...

Kodagawa
has no
chance at
all of winning
now.

But

rest of it
them.

We were right all along. There's no way out, could...

And we'd probably miss some ourselves.

Even if we
hit all of our
shots, we
can't win
unless they
miss 3.

And For the
sake of going to
Nationals as a part
of Kodagawa—

Giving up now
would be like
spitting in the
face of my
seniors...

... whom I've
come so far
with!

I can't lose here!

Is it a hit?
Is it a
miss?

Tachikawa has—

It's a miss!

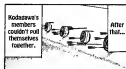

However...

Not surprisingly, not all of Tachikawa's striking power could be broken...

Huh?

Kodogawa's members couldn't pull themselves together.

After that...

The spirit in that last shot... I see, Tachikawa.

Kodogawa's loss was sealed.

Finally, with still two shots left in the round—
